

Sources & Bibliography

A significant portion of this text was published in a different form on the World Wide Web as *Jamaica, The Land We Love* © 1996–2002 by Russell G. Campbell. I used dozens of sources in the form of hard-copy books, eBooks and online resources. Full versions of several of these texts are in the public domain and are available on the Internet in digital form. The following is a selection of books and other sources that I believe will be of interest for further study or entertainment:
